## STRENGTH & TONING

### Load Up (60 mins)

Barbell class; start out light and work up to heavier weights as you get stronger. Your instructor will guide you when to load and how to lift correctly.

Cardio = Low  
Coordination = Nil  
Resistance = Moderate to High

### Tone Up (45 or 60 mins)

This class will hit the small and large muscle groups to give you the toned look. We use a variety of equipment including dumbbells, resistance bands, thigh toners, slides and body weight.

Cardio = Low  
Coordination = Moderate  
Resistance = Moderate

### Strong Set (45 mins)

Weight training class where you will work through reps and sets. You will be able to load per muscle group and focus the load to match each muscle group.

Cardio = Low  
Coordination = Low  
Resistance = Low to High

### Booty Burn (30mins)

Get ready to fire up those glutes! This class targets your booty and legs using booty bands and weights for an effective lower body burn.

Cardio = Low  
Coordination = Nil  
Resistance = Low to Moderate

### Abs Blast (30mins)

Challenge your abdominals from start to end, aimed at improving your overall core strength.

Cardio = Low  
Coordination = Nil  
Resistance = Low to Moderate

## BOXING STYLES

### Fight Fit (45min)

A full cardio workout that will have you punching and kicking the air.

Cardio = Moderate to High  
Coordination = Moderate to High  
Resistance = Low

### Boxing (45min)

A high-energy, technique-first boxing session using focus pads and mitts. Great upper body workout. Expect rounds-based pad work, defence drills, and conditioning finishers. No sparring, no head contact. Ideal for beginners to intermediates #Bring cotton gloves or your own boxing gloves

Cardio = Moderate to High  
Coordination = Moderate to High  
Resistance = Low

## SPECIALTY CLASSES

### Active Over 50s (60 mins)

It's light paced and focuses on your needs; gentle cardiovascular & muscle work combined with elements of balance and flexibility.

Cardio = Low  
Coordination = Moderate  
Resistance = Low

### Strong & Stable (45 mins)

In this class, we boost your balance, flexibility, coordination and strength. All while helping reduce your risk of falls.

Cardio = Low  
Coordination = Nil  
Resistance = Low

### HIIT (45 mins)

HIIT is high intensity interval training. Hit 90 to 95% of your maximum heart rate, then recover 70 – 80% of your maximum heart rate, ready to go for another interval.

Cardio = High  
Coordination = Nil  
Resistance = Moderate

### Lite & Lo (60 mins)

We bring you an exciting mix of aerobic routines, circuits, step work and muscle conditioning. With a refreshing cool down to leave you feeling strong, energised and accomplished.

Cardio = Low to Moderate  
Coordination = Moderate  
Resistance = Low to Moderate

### Step (30 mins)

Step routines to increase your fitness, coordination and lower body strength. Combination of routine and athletic step.

Cardio = Moderate to High  
Coordination = Moderate to High  
Resistance = Low

### Zumba (45 mins)

Zumba involves cardio and Latin inspired dance moves. Once you master the basic moves you will be lost in the music.

Cardio = Moderate to High  
Coordination = Moderate to High  
Resistance = Nil

### Move 2 Music (45 mins)

Get ready to move! You'll dance to a vibrant mix of Top 40 hits and timeless classics with easy to follow moves so you can immerse yourself in the music.

Cardio = Moderate to High  
Coordination = Moderate to High  
Resistance = Low

## MIND & BODY

### Pilates (60 mins)

A controlled mat based Pilates session that integrates mindful breathing, precise movement and targeted strengthening. Improve your alignment and support optimal posture. As your technique develops, you'll have the option to add balls, bands and rings to deepen your practice.

Cardio = Nil  
Coordination = Nil  
Resistance = Low to Moderate

### Stretch (60 mins)

This class is a series of stretches designed to improve your flexibility, minimise muscle imbalances and release stored muscle tension.

Cardio = Nil  
Coordination = Nil  
Resistance = Nil

### Hatha Yoga (60 mins)

This class focuses on alignment of the whole body while holding poses, which support the spine and bring about the awareness of breath with movement. Ideal for entry level to intermediate.

Cardio = Nil  
Coordination = Nil  
Resistance = Low

### Vinyasa Yoga (60 mins)

Vinyasa means 'breath-synchronized movement'. A series of poses that will use the power of inhaling and exhaling, with smooth flowing movements.

Cardio = Nil  
Coordination = Nil  
Resistance = Low

## CYCLING

### Pulse (30 or 45 mins)

Feel your power in PULSE; every beat, pedal stroke and climb is designed to test your strength and stamina. This performance driven ride focuses on RPM, resistance and teamwork. You will see your stats on the screen.

Cardio = High  
Coordination = Nil  
Resistance = Moderate to High

### Rev IT (30 or 45 mins)

A high energy interval training class that combines indoor cycling with off the bike functional strength blocks. Switch between the bike and floor in timed rounds to improve cardiovascular fitness, muscle endurance, and total-body conditioning.

Cardio = Mod - High  
Coordination = Mod  
Resistance = Moderate to High

### Tribe (45 mins)

You don't ride alone, you ride with your Tribe. This class is all about connection, teamwork, and shared energy. Together, you'll climb, sprint and push through every challenge, motivating and supporting one another to go further than you thought possible.

Cardio = Mod - High  
Coordination = Mod  
Resistance = Moderate to High

### Easy Ride (30 mins)

Easy Ride is what your body needs when you're just starting out, coming back from a break or recovering from a leg session. This class focuses on technique, and controlled movements allowing you to turn the legs over without pressure on your joints. We finish each session by checking how far we've travelled, giving you a simple and satisfying measure of progress.

Cardio = Low - Med  
Coordination = Nil  
Resistance = Low - Moderate

### Virtual (30 or 45 mins)

You will be guided by a dynamic virtual instructor who offers a range of intensities and levels. Taking you on a motivating and empowering journey. Before joining these sessions, make sure you've checked with an instructor so your setup is correct and you know your levels are right for you.

Cardio = Mod - High  
Coordination = Nil  
Resistance = Moderate to High

## ATTENDING CLASSES

- All classes are 1 hour unless otherwise stated
- Class bookings open at 8am, 1 day prior via the app
- Cancellation of a booking is 2 hours prior to class starting
- Bring clean feet to all mind / body classes
- Use hygiene stations provided to clean equipment
- Bring water & towel to all classes and use towel on your equipment, mats and to remove sweat from your body.
- Arrive on time to minimise chance of injury and to avoid disrupting the class. Late comers may be refused entry.
- Advise your instructor of any medical conditions, pregnancy or injuries you have prior to the commencement of each class
